Feature Mare of the Week

SHANAMBAH

How much would you have to pay at present for a maiden mare that was a good sized, strong bodied multiple City winner by a successful sire and from a solid black type family? Lately at auctions we have seen these mares selling for between \$30,000 to \$50,000. What if I told you that you could purchase a mare like this for \$45,000 and as a bonus, she was in foal for the first time to a \$27,500 fee stallion that was currently Australia's Champion First Crop Sire? Please read on.

SHANAMBAH was an above average racemare. She was a winner of 4 races including wins at Rosehill (2yo), Canterbury and Doomben. She earned nearly \$120,000.

SHANAMBAH sells in-foal to **CHARGE FORWARD**, Australia's Champion First Crop Sire in the 2008/09 season. **Asking price is \$45,000 (No GST).**

By Golden Slipper winner **CATBIRD**, sire of 15 Stakes Winners, including **CATS FUN, GREEN BIRDIE, DIEGO GARCIA, CATECHUCHU, LITTER, BURGEIS, THE TIGER**, etc.

3rd dam **NIGHT OFF** (by **NARRATOR**) was Champion 2yo Filly in England, taking out the Group 1 Newmarket Cheveley Park Stakes at that age. At 3 years, she won the Group 1 English 1000 Guineas.

CHARGE FORWARD's first crop includes Group 3 winner, Golden Slipper placed **HEADWAY**, SP **CARLTON SPIRIT**, metro winners **PREREQUISITE, EVERY MAN'S DREAM, SAVOIA**, etc. **CHARGE FORWARD** is standing this season at \$27,500. He has been fully booked for over a month. In 2009 his yearlings sold for \$450,000, \$420,000, \$270,000, \$180,000, \$150,000, etc.

SHANAMBAH is presently located at Scone. As many of you will no doubt be making your "annual pilgrimage" to the Upper Hunter in the next couple of weeks, she is well placed to be easily inspected by any prospective purchaser.
