

Randwick Bloodstock's Fillies and Mares For Sale

Dear Melissa,

Please find below our current listings of breeding stock for sale.

Feature Mare of the Week

COOL AND COMPOSED

COOL AND COMPOSED sells in-foal to possibly the hottest young stallion in the Australia - **FASTNET ROCK**, our leading 2nd crop sire.

As reported by Nathan Exelby of Racing & Sports "With a growing list of 'potential' stars, **FASTNET ROCK** is poised to take the next step as a sire in the coming months - just as he did on the racetrack in his second term". [Click here](#) to read Nathan's story on **FASTNET ROCK**.

Importantly as well, **COOL AND COMPOSED** is a winner of 2 races including a Melbourne victory, in addition to also being placed 4 times in Melbourne.

She is by leading sire **STRAVINSKY**, sire of nearly **60 SW's** to date and now starting to make his name as a broodmare sire, with one of his daughters having produced last month's English Group 1 winner **RIP VAN WINKLE** (Goodwood Sussex Stakes).

Her dam **ICY CALM** was a winner of 5 races including the Listed VRC Maribyrnong Trial Stakes as a 2-y-o, and she was also multiple Group and Listed placed.

COOL AND COMPOSED'S 1/2 sister **THE BIG CHILL** won the Listed VRC Red Roses Stakes and was twice Group 1 placed. Another 1/2 sister **COOL CHICK** has produced Group 3 placegetters **KICK 'N CHASE & OKAYLAH** (both pictured).

Her grand-dam **SNOW LEOPARD** is a half-sister to top class Group 1 winner **RANCHO RULER**.

COOL AND COMPOSED is carrying her third foal. Her first foal is a 2-y-o colt by leading sire **TALE OF THE CAT**, her second foal being a 1-y-o colt by Golden Slipper winner **STRATUM**.

A good looking young Melbourne winning mare by a leading sire from a strong stakes family, in-foal to **FASTNET ROCK**, with an asking price of \$110,000+GST, there is not alot of downside to **COOL AND COMPOSED**.

Click [here](#) for her pedigree.

COOL AND COMPOSED is presently located in the Upper Hunter Valley and available for inspection.
